REPORT
OF THE
TERRITORIAL TREASURER
FOR THE
FISCAL YEAR 1886.

TERRITORY OF MONTANA, }
TREASURER'S OFFICE.
HELENA, January 1, 1887. }

TO HIS EXCELLENCY, SAMUEL T. HAUSER, GOVERNOR OF MONTANA:

SIR:—As required by law, I have the honor to submit the following report, showing the present status of this office and its transactions for the fiscal year ending and including December 31, 1886.

There has been an increase in receipts of revenue proper for the past year, amounting to \$21,145 29, and as predicted one year since, the surplus in the Treasury has largely increased; the surplus at this date being \$48,482 11 over all registered liabilities, while there is in the General Fund a cash balance of \$57,269 18, an increase of net surplus over that of January 1, 1886, of \$40,114 09.

The present surplus together with quarterly receipts of revenue, under ordinary circumstances, will not be exhausted until the coming summer, when warrants will again become unpayable on presentation; but when the current year closes, there will doubtless accrue a still larger surplus, unless Territorial expenditures are considerably swollen.

It would seem that the Territorial tax might safely be reduced from the present rate of two mills on the dollar of assessed valuation, to one and one-half mills, which would decrease the annual receipts of revenue about \$25,000 00; and from present attainable data it appears, that the result would be, the establishment of a fair equilibrium between receipts and expenditures.

I have the honor to be,

Very respectfully,

Your obedient servant,

D. H. WESTON.

Territorial Treasurer.
